- Good news: We are cranking again.

- Bad news: Still have a large backlog

- In process: hiring additional editing staff
    - (Training takes awhile)

- Starting to catch up on processing errata – at least 6 months behind.

- New procedure to ensure that independent submission I-Ds do not expire.

- No office hours this IETF, but Joyce, Aaron, and Bob are available.

- Constantly working to:
    - Improve edit and conformance tools
    - Improve staff efficiency
    - Clean up database
    - Generate more useful and accurate reports.
